Tribe

Since 2016, Globaltribe has been introducing the world to the authentic flavours of the Amazon region, offering proven health benefits and unparalleled indulgence. Globaltribe has partnered with local producers who practice chemical-free cultivation and harvesting, in accordance with the traditional agricultural methods of the region's natives.

More than just business partners, partners for a better and more sustainable world.

Together we protect habitats and preserve cultures!

Nature provides,
Tribe improves

We keep healthy,
what is healthy!

Mission

Our mission is to transform fruits with high nutritional values into sorbets while promoting sustainability, driven by a passion for the exotic and a commitment to health.

Vision and Values

Our goal is to become a leading player in both national and international markets, known for the quality and excellence of our products.

We are guided by our values of passion, transparency, quality, innovation, social responsibility, and sustainability, which reflect our vision.

Soursop

Fruit with soft and velvety texture, the soursop captivates the palate with its sweet and refined flavor. It possesses excellent nutritional properties, high levels of calcium, and vitamins from the B and C complexes.

Tribe's soursop sorbet is based on a natural and balanced recipe. It stands out for its **velvety texture, enchanting flavor**, and low-calorie content. The harmonious combination of 50% soursop pulp, water, demerara sugar, guar and xanthan gums, and citric acid gives it a pearly white tone.
Does not contain: dyes, preservatives, synthetic additives, and is free of GMOs.

Ready to enjoy, **Tribe's soursop sorbet** is a versatile and indulgent option that transcends expectations, providing a unique and delightful experience.
