Liquid Açaí Blend

Unique in the market!

Tribe's liquid açaí blend is an innovative and distinctive product. In its liquid form, it is presented at room temperature and offers extraordinary advantages for the HORECA channel compared to frozen product solutions, such as:

- Reduced distribution and storage costs;
- Free from breaks in the cold chain;
- Ready to consume;
- Significantly shorter preparation time compared to the frozen solution, increasing profitability.

To prepare, simply add the mixture to a soft ice-cream machine. In only 30 minutes, it transforms into a rich and delicious sorbet with a full-bodied and sumptuous texture.

This delicious sorbet is suitable for a variety of presentations, providing customers with a wide range of options. This also enhances their experience and increases the profitability of the point of sale.
