X-TREME LOW-PROFILE SLIDE/SWIVEL

X-Treme Low-Profile Slide/Swivel

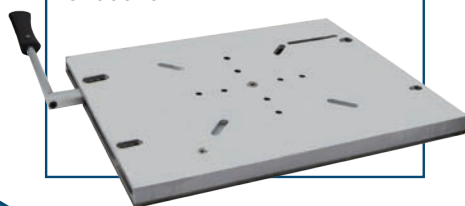

The X-Treme Low-Profile Slide/Swivel delivers dual functionality in an exceptionally compact 1.3-inch high envelope, helping boat builders minimize seat height and maximize adjustability and performance.

Engineered for applications where installed height is critical, X-Treme provides 4 inches of fore-and-aft travel combined with 360-degree seat rotation and positive locking positions every 30 degrees.

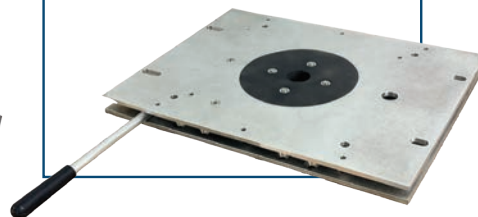

Features:

- 4" fore-and-aft travel
- 360° rotation, locks every 30°
- Universal 5" x 5" or 5" x 12" mounting pattern
- 1.3" height low-profile envelope

X-Treme Low-Profile Slide 3100643
