Amega

Smart white and red graphics on a black dial background, these very low profile bezels follow the curve of the lens to eliminate water trapping.

Arctic

Stylish white bezel design, black on white graphics, accurate and reliable, these tough instruments look good on all types of boats.

Argent

Black graphics on a silver background, pointer has black hub with fade resistant acrylic orange staff.

Black Premier

White and blue graphics on a black background makes Premier style gauges a smart choice for all modern and traditional boats.

Lido

Stylish stainless steel bezel design, black on white graphics, accurate and reliable, these tough instruments look good on all types of boats. Domed glass sheds water and resists scratching.

Reflex

The Reflex offers a stylish design, with a black bezel and black graphics on a white dial. These durable gauges are not only visually appealing on any type of boat, but they also provide precision and dependability at your helm.
