

# Rendezvue Inc.

Startup specializing in greenhouse automation robots

“We are looking for partners and distributors”

 FARMILY

## TECHNOLOGY

We focus on the development of fundamental technologies required for intelligent agricultural automation.

Autonomous Navigation

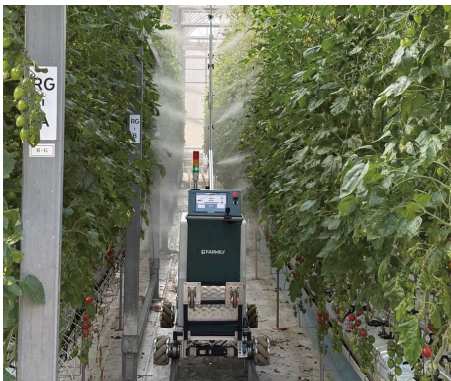

Object Recognition

Robot Control

## PRODUCT

We are developing automation robots that meet farmers' real needs, based on our own core technologies.

FARMILY-X S300(200)

FARMILY-X UV

FARMILY-X H100

## We are looking for partners and distributors

- We are building a new family for farmers — FARMILY.
- With world-leading agricultural automation technology, we are looking for partners to create a better tomorrow together.
- Join FARMILY and let's shape the future of agriculture.
