

OUR ERGONOMIC TROLLEYS

LARGE CAPACITY

reference : 1571

Also available
in 100% secure version
reference : 1823

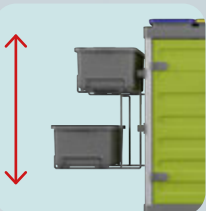

106.5 cm

1x
double tool holder

Height-adjustable
pre-impregnation
trays

4x6L buckets
2x18L bins

3x tool holders for
mop handles
Ø 29 mm

Large storage
capacity with 2
lockable doors

2 modular
compartments
for selective waste
sorting (50/50)

MEDIO

reference : 1955

Product included
in the composition
of the **Global
Cleaning Method**
certified by I.G.R

Compact footprint
for easy storage

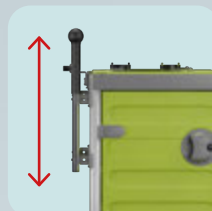

3x tool holders :
2x $\text{Ø } 29 \text{ mm}$
1x $\text{Ø } 22 \text{ mm}$

1x single
mop holder

Ergonomic push
handles with
adjustable globes

2 modular
compartments
for selective waste
sorting (50/50)

COMMON FEATURES

Ergonomic handles

Height adjustable

Reduction of biomechanical risks (MSDs)

Protocol holder

Protects documents
Optimizes readability

Buckets attachable to the frame

Easier handling

Lockable doors

Reduction of chemical risks

Silent wheels

Ø 150mm

Multi-directional wheels
Reduced vibration

Height-adjustable shelves

Flat base for easier cleaning

ALTERNATIVE SOLUTIONS

Ultra compact trolley

Reduced footprint :
Easier storage
99 × 51 × 106.5 cm (L × W × H)

Dispenser box

Improved quantity management

Hand sanitizer holder

Reduces cross-contamination
and reinforces hygiene protocol

Tool holder

Frees usable trolley space
and improves ergonomics

Retention tray

Retains accidental spills
and limits chemical risks

12L additional bucket

Increases autonomy and reduces
frequent refilling, positioned under
ergonomic handles

ERGONOMICS

The equipment
does not generate
physical risks
(noise, vibrations,
electromagnetic fields)

The specific trolley
configuration **reduces
the risk of contact**
with elements
potentially
contaminated
by **biological agents**.

Height-adjustable
ergonomic handles
contribute to **reducing
biomechanical risks**.

Designed and structured
to ensure maximum
stability thanks to **silent
swivel wheels**,
**reducing the risk
of trolley tipping**.

The combination
of ergonomic handles
and 4 **omnidirectional
wheels** provides
excellent
maneuverability.
