POLYETHYLEN RECYCLED

REFUSE SACKS

A circular diagram with a green border. Inside, there are four petri dishes containing different types of plastic granules: black, light grey, dark grey, and white. To the right, there are several rolls of black plastic refuse sacks with blue labels that say "bags with tape" and "rbage bags with". Below the petri dishes, there are several stacks of white plastic refuse sacks. In the center of the diagram is a dark blue circle containing a green circular arrow icon and the text "circular economy".
