

VELERIA
SAN GIORGIO®

LIFEJACKET MANUFACTURER

FIRST

SOLAS/ M.E.D. certified inflatable lifejacket with an actual buoyancy of >160 N, featuring an acetal resin quick-release buckle with integrated adjustment.

Designed for professional and occupational use in offshore environments, including adverse weather conditions, it ensures high standards of safety and reliability, enabling the wearer to remain afloat while awaiting rescue, even in rough seas.

The ergonomic design, combined with the use of high-quality materials and a PVC outer cover, provides excellent comfort and a natural fit. Designed to be worn comfortably over technical workwear, it follows the wearer's movements without restricting mobility or operational performance. Its lightweight yet durable construction enables quick and easy donning while ensuring freedom of movement and lasting comfort during onboard operations and manoeuvres.

MAIN CHARACTERISTICS:

- Ergonomic design with a comfortable, wide neck opening, engineered for easy donning and enhanced comfort.
- Durable waterproof PVC outer cover.
- Front quick-release buckle.
- Rear rescue handle.
- Provision for crotch strap.
