Toner AsphaltCoat

I Toner AsphaltCoat sono una miscela di pigmenti organici e inorganici concentrati in base acquosa, studiati in modo specifico per la colorazione delle basi AsphaltCoat. Sono VOC "0", APEO free, esenti da solventi, sostanze tossico-nocive per la salute e l'ambiente.

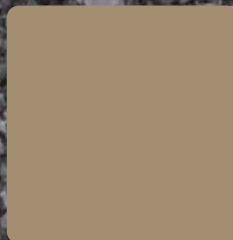

AsphaltCoat Toners are a mix of concentrated organic and inorganic water-based pigments, specifically designed to colour AsphaltCoat bases. They have a 0 VOC classification, are APEO free, and free from solvents and toxic substances which can be harmful to health and the environment.
