ITALIAN LUXURY PERFORMANCE FABRICS

Made in Italy

Mariaflora fabrics bring high-performance and Italian luxury design together at sea.

Our collection in **100% solution-dyed acrylic** meets the needs of life on-board offering complete protection, unparalleled durability and undeniable style.

## DESIGNED TO WITHSTAND THE ELEMENTS

Mariaflora fabrics offer complete protection against harsh marine conditions. Wind, water, salt and sunlight are never a problem.

UV resistant and fade-proof 

Water- and salt-resistant 

Breathable and mold resistant 

Abrasion resistant 

## NATURALLY SOPHISTICATED

We would never sacrifice style for comfort. Mariaflora fabrics add a sophisticated Mediterranean look and the softest of hands to yachts and boats, both indoor and out. All fabrics are woven in Italy into Mariaflora's signature Linen Look technology: premium solution-dyed acrylic yarns that recreate the natural look, resilience and soft hand typical of natural yarns without ever failing to deliver high-performance.

## EASY CARE

Made to enjoy life anywhere, anytime. Mariaflora fabrics are stain-resistant, withstanding the usual suspects like red wine, suncream, oil and many more. The entire collection is washable and bleach cleanable.
