EVERYWHERE, ALL THE
TIME...

*The UV-C LED
by excellence*

Brand products

uvoji
beyond UV LED

Technical specifications

Oji Nautic 01

Oji Nautic 02

Flow rate

Up to 8 L/min
2.11 (gpm)

Up to 16 L/min
4.22 (gpm)

Disinfection :

> 99,99% * @ 8 L/min
> 99,999 * @ 3 L/min

> 99,9% * @ 16 L/min
> 99,999 * @ 8 L/min

*Abatement noted on E-coli, Legionella, Cryptosporidium...

Other pathogen abatements available on request from our sales department

Weight

1 kg / 2.20 (Lbs)

1,4 kg / 3 (Lbs)

Foot print

L 212 x H 134 x P 170 (mm)
L 8,5 x H 5 x D 7 (in)

L 340 x H 135 x P 170 (mm)
L 13 x H 5 x P 7 (in)

Spécifications

Options

 Power Supply
12 VDC

 Max electrical
consumption
25W

 Permissible pressure
5 bars
(72,5 PSI)

 Temperature
Air : 5° C- 45° C (41° F- 113° F)
Eau : 5° C - 50° C (41° F - 122° F)

 Grooved fitting
3/8 or 1/2 +
collar

 Opération indicators
4 lights on reactor
1 light on remote indicator

2 in 1 Filtration :

Sediment 20 µm
Activated Carbon 5 µm

(élimination des particules en suspension,
du goût et des odeurs)

Encombrement

L 160 x H 296 x P 136 (mm)
L 6,3 x H 11,7 x P 5 (in)

Suitable for
marine
environment

2 years
warranty

Purification of your water

Advantages

- Instant and chemical-free purification of your water.
- Durable system with no maintenance or consumables.
- Easy to install and use.
- A product designed to adapt to the marine environment.

Oji Nautic is a UV-C LED water purification system. Thanks to its adaptation to the marine environment, Oji Nautic responds to many everyday problems.

The technology offers healthy water that is disinfected and purified of all bacteria and viruses.

”

Testimonial

We had this project to cross the Atlantic by boat, Oji Nautic allowed us to consume water in all serenity!

No risk for our health,
no need for plastic bottles
plastic bottles, no maintenance
no maintenance or upkeep...
Oji Nautic has been a real
ally during this trip!

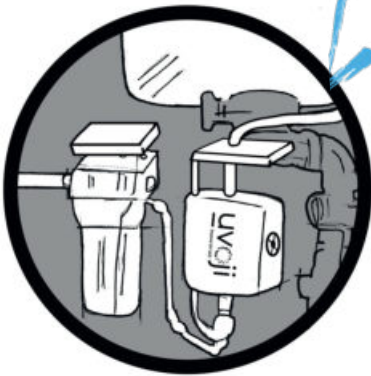

Crew of the "NO NAME
for the
Transatlantic

Benefits

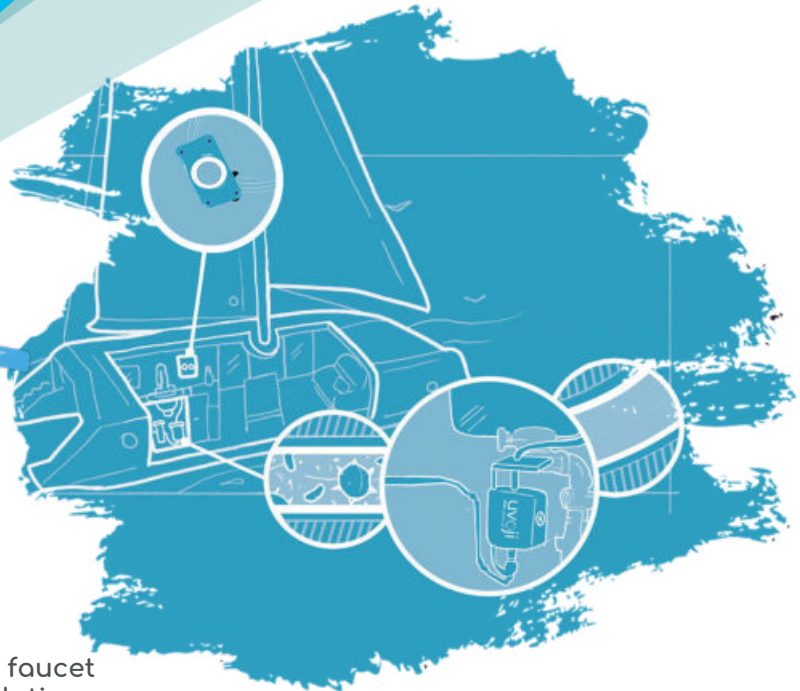

- Don't worry about the quality of the water.
- Put an end to the stockpiling of plastic water bottles.
- Protect the environment. Reduce the amount of waste and chemicals you use.
- Save your batteries. Solution adapted to your electrical installation.

Pure water on board
everywhere,
all the time...
