

# **FACIAL TISSUE**

**SOFTNESS & COMFORT  
FOR EVERY USE**

## YOUR DAILY ESSENTIAL.

### SOFT AND SOMOOTHING FACIAL TISSUE.

Our Facial Tissue offers a premium-quality, ultra-soft tissue paper designed for comfort and care. Infused with the soothing properties of calendula, these tissues provide a gentle touch, making them ideal for sensitive skin and everyday use.

Each unit is elegantly packaged in a set of 40 strong and durable soft-cardboard boxes, ensuring long-lasting protection and an attractive presentation.

The box features a perforated opening, allowing for easy access to the tissues while maintaining hygiene and convenience.

### KEY FATURES AND BENEFITS

- Infused with Calendula: Known for its soothing and anti-inflammatory properties, calendula adds an extra layer of care, making these tissues gentle on the skin.
- Soft: Made from premium tissue paper, offering maximum comfort.
- Durable & Practical Packaging: The sturdy, yet soft-cardboard box ensures that tissues remain clean and protected.
- Easy-to-Use Perforated Opening: Designed for effortless dispensing, allowing quick and hygienic access.
- Perfect for Various Settings: Ideal for hotels, residences, offices, and commercial spaces where both functionality and presentation matter.
