

PhanShop

All-in-One Retail Robot
for Cleaning & Merchandising

CLEAN | PROMOTE | ENGAGE

Recommended Coverage
200–5,000 m²

Ideal for
Retail stores, supermarkets

Key Features

Promotional Display

An optional display that supports video, image playback and voice interaction for effective in-store promotions.

Customizable Content Management

Allows flexible content customization and centralized batch updates to meet both personalized and large-scale campaign needs.

Sliding Merchandise Tray

Designed for easy product access and efficient daily maintenance with a smooth sliding mechanism.

Retail-Safe Design

Elevated height for maximum visibility in crowded environments with built-in voice prompts and a strobe light for enhanced safety.

Custom Audio Options

Supports personalized music, announcements and alerts to match seasonal themes or branding requirements.
