# Cleaning Stations

## **A** Space

- Up to three waste bins for waste separation
- Three drawers for cleaning products, wipes or operational supplies

## **B** Function

- Waste collection, cleaning products and brooms in one place
- Four castors, two of which can be locked
- Sturdy waste bins with lids to protect against animals and odours
- Washable surfaces of all parts

## **C** Tool holder

- Five holders and two hooks to be positioned freely
- Space for 100 cm wide brooms
- Industrial paper dispenser optionally available

## **Sustainability**

- Robust and durable design
- Disassembling of the individual parts, 15-year replacement parts guarantee
- High availability of wear and spare parts
- Regional sourcing of raw materials
