## 2.CONTENT

### 2.1. ABOUT US

MSM Yacht Interiors started its journey in 2017 in the 3500 m2 Çayırova Kocaeli factory. Our founder Mr.Sadik Makal's family business - yacht furniture manufacturing has gained approximately 15 years of experience with his professional work in the sector since his college years. By conveying his knowledge and experiences at the leading companies of the sector, major local shipyards and overseas shipyards to both our design team and manufacturing team, we aim for the best in our current flow.

Actually, we continue our activities in our new factory in Altınova, Yalova with 8.500m2 closed area with more than 100 technical experts and administrative staff.

### FACTORY AREA INFORMATION

LAND AREA: 3.228,42 m<sup>2</sup>

POLISHING FLOOR: 1.892 m<sup>2</sup>

PRE PRODUCTION FLOOR: 1.892 m<sup>2</sup>

PRODUCTION FLOOR: 1.892 m<sup>2</sup>

OFFICE FLOOR: 650 m<sup>2</sup>

OPEN SPACE: 2.174 m<sup>2</sup>

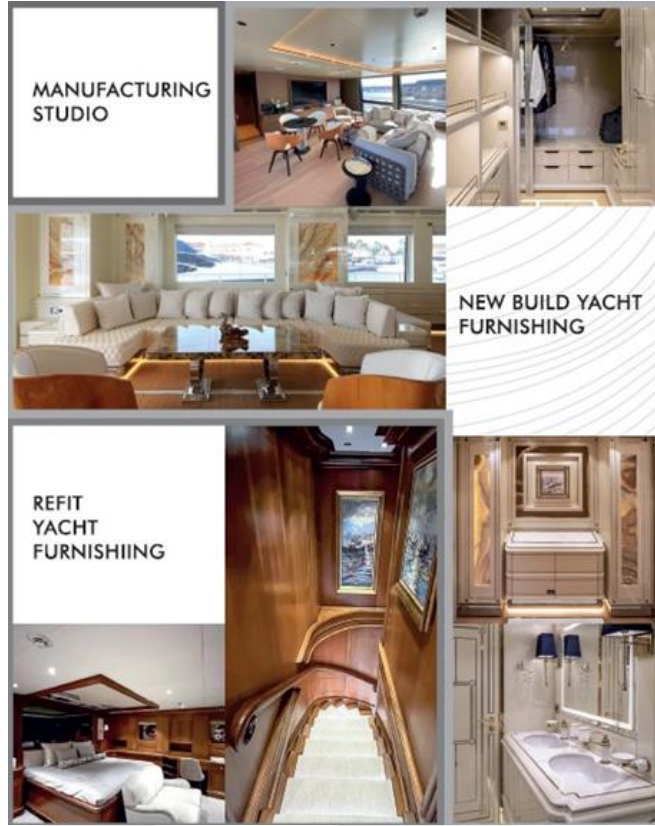

**TOTAL: 8.500 m<sup>2</sup>**

With this facility, we have achieved our goal of becoming the largest yacht furniture manufacturer in Turkey with our facility size capacity.

With our latest technological innovations, which have been added to our existing machine park, we produce furniture that fits on approximately 3,000 m<sup>2</sup> of ground annually, if we need to state our production method and capacity. Our work is strengthened with technology and R&D.

From the concept stage to the implementation and production projects, we implement and manufacture first-class interior and exterior furniture for new built and refit yacht projects.

## 2.2. REFERENCES
