

PROFESSIONAL PAPER PRODUCTS FOR INDUSTRIAL, HYGIENIC AND SANITARY USE

NOVACARTA Srl is a paper converting company based in Porcari – Lucca - Italy, that has been operating since 1992 in tissue sector, with the production of paper rolls for industrial, hygienic and sanitary use.

We are a family-run, solid and reliable company, which has consolidated its presence on the market over the years, thanks to the quality of the products in addition to an attentive and careful customer service.

As converting manufacturers, we have been meeting the needs and accomplishing the business demands of the local and foreign market for over 30 years, by offering a various range of products and solutions basically conceived on cleaning industry's requests, with a special focus on items composition, quality and quantity, so as to offer specific products for each cleaning operation and purpose.

Our production includes the following lines:

- pure cellulose
- 100% recycled and eco-friendly tissue
- mixed cellulose (with different whiteness degrees)
- blue rolls
- brown shaded rolls;

and the below articles range:

- industrial rolls
- center-feed hand towel rolls
- hand towel rolls
- mini jumbo toilet paper
- maxi jumbo toilet paper.

NOVACARTA mainly offers a wide range of possibilities for the customization of industrial rolls, hand towel rolls, and jumbo toilet paper for all professional needs.

The machines lines are constantly supervised in order to guarantee the protection and safeguard of the personnel, and ensure high-quality products, along with good production times.
