

# Better Water, Better Life! Sparkling Water Cooler

**Home**  
**Office**  
**HoReCa**

Ningbo Qiangxin Intelligent Technology Co., Ltd. is a high-tech enterprise specializing in the development and manufacturing of high-end sparkling water dispensers for home, office, and Horeca (Hotel, Restaurant, and Café) use. Our core management and technical teams bring over 15 years of industry experience, ensuring expertise and innovation in our product offerings.

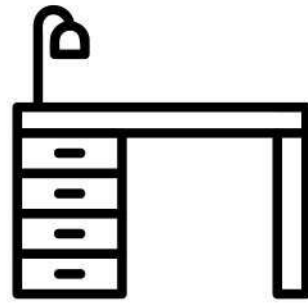

Equipped with state-of-the-art production facilities and a rigorous quality management system, we are dedicated to serving the global market. Our products are certified by internationally recognized standards, including UL, NSF, CE, and CB, affirming our commitment to quality and safety.

Renowned for our industry reputation, we not only offer a diverse product range but also provide customized solutions tailored to meet our customers' unique requirements.
