Amsterdam Yacht Service

since 1921

Amsterdam Yacht Service

since 1921

Let's introduce ourselves

We are the specialist for building, repairing and refitting your yacht

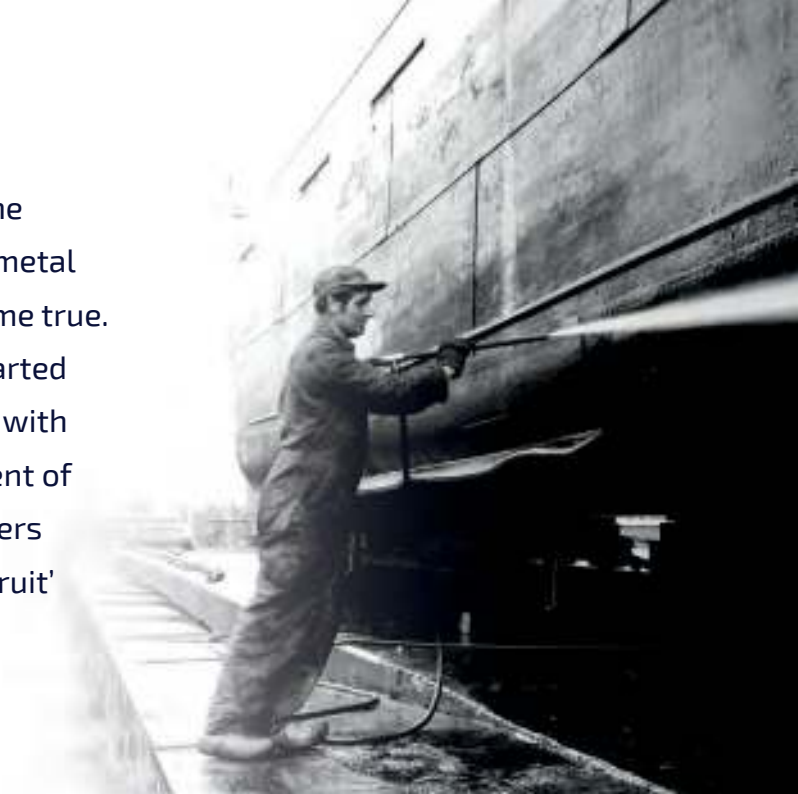

Amsterdam Yacht Service

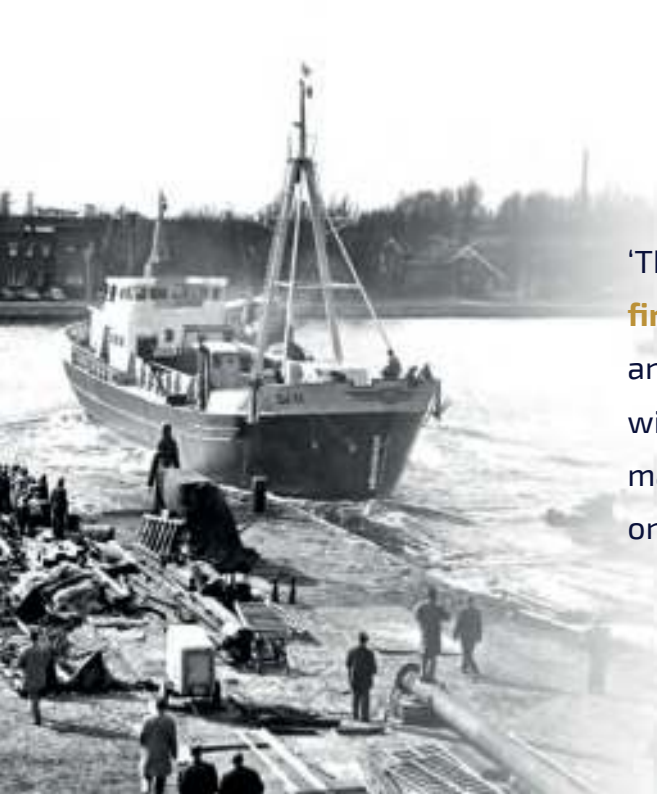

since 1921

How it all started

Twelve metal workers shared a dream

‘The dream of the original twelve metal workers has come true. Their history started on **23 June 1921** with the establishment of the metal-workers association Vooruit’

‘Three years later, the **first slipway** is in place and the yard is active with everything from maintenance and repairs on barges to new builds’

Amsterdam Yacht Service

since 1921

Custom yachts

A custom yacht is a dream brought to life, shaped around your vision and built with an eye for every detail. At Amsterdam Yacht Service, we combine craftsmanship with a personal, hands-on approach to create sailing and motor yachts up to 40 metres. With a team of experienced sailors and a transparent process from start to finish, we turn your ideas into a yacht that is truly your own.
