

NAUTITALK BOSUN

Yachting / Sailing Headsets - Onboard Team Communication

Communication

Mesh Intercom™ Technology provides the perfect connection with a near-limitless number of participants.

- High-quality audio.
- 6 independent communication channels for multiple groups to use.
- Working distance: up to 800m / 0.5 mi* range.
*Can extend up to 3.2 km / 2.0 mi between 6 users or more.
- Talk time: up to 20 hours.
- No need for Wi-Fi or cellular data to connect.

Highlights

- Mesh Communication System for boating and yachting. Perfect on-board team communication.
- Mesh Intercom connects a virtually limitless number of people with the push of a button, without the need for pairing.
- Waterproof / Floating: IPX7
- Noise-free transmission via the sophisticated Sena microphone sensor, even in strong winds.
- Comfortable and easy to wear - on the ear or with sunglasses, caps, or helmets.
- Dual charging system with USB-C and magnetic charging.

Features at a Glance

Mesh Intercom™

Robust & reliable communication network

IPX7 Submersible Waterproof

Protected against the effects of temporary immersion in water

Floating
