Video: Entrance for barred car parks

[▶ Watch now](#)

ARIVO

Freeflow vs. Barred

Without barriers

- Low acquisition expenses
- No need for an intercom or 24h availability
- No maintenance

Ideal for areas with a high frequency of short-term parkers

With barriers

- Oversee different parking zones
- Consistent access for long-term parkers
- Almost maintenance-free due the absence of tickets

Freeflow-dunning by Arivo

*Default setting : 48 hours

Freeflow-dunning by Arivo

No risk & no effort

Dunning is handled by Arivo; car park operator receives 100% of the parking fees

(De-)activation possible at any time

Dunning can be activated or deactivated at any time.

Fair cancellation terms

Cancellation of parking fees (even after the sent invoice) is possible free of charge.

Low penalty fees

Low parking violation fees based on the incurred costs.

No PR disasters

Customer-friendly & fair dunning processes protect your reputation and prevent negative publicity.

Signage

Customised signage concept from Arivo (incl. installation, if required).

Freeflow-dunning by Arivo

	Arivo	Other suppliers
Amount of penalty fees	<input checked="" type="checkbox"/> In AT: € 42,00 gross In DE: € 35,00 gross	<input checked="" type="checkbox"/> From € 40,00 up to € 120,00 gross
Charging of penalty fees	<input checked="" type="checkbox"/> Once per parking violation or parking procedure	<input checked="" type="checkbox"/> Once a day (for parking > 24 h)
Dunning fees	<input checked="" type="checkbox"/> For the 1st letter: none For the 2nd letter: € 7,50 For the 3rd letter: € 22,50	<input checked="" type="checkbox"/> Already from the 1st letter € 54,00 usual
Terms of payment	<input checked="" type="checkbox"/> 10 days	<input checked="" type="checkbox"/> Often shorter to benefit from the high dunning fees
Language of payment reminder	<input checked="" type="checkbox"/> Payment reminder letter in the respective national language	<input checked="" type="checkbox"/> Payment reminder in German
Validity of penalty fees	<input checked="" type="checkbox"/> Long-term fixed, low penalty fees	<input checked="" type="checkbox"/> Increase in parking violation fees usually occurs after just 12 months.
