# SUPRA SHINE

## THE MOST COMPLETE & EFFECTIVE RANGE OF PADS FOR FLOOR RESTORATION & MAINTENANCE

Offered in several types and grit sizes for different applications from restoration and deep cleaning to gloss upgrade and daily maintenance.

Available in all popular sizes from 5" to 28" diameter.  
Also available in rectangular shapes.

No special equipment needed – compatible with most low-speed and high-speed floor machines (buffers, auto scrubbers, burnishers, etc). Use with velcro pad holder for best results.

No chemicals required – use with water.

Simple and easy process to save you time and money.
