- Resists until 400 washings

### Packaging :

- 5 units per paper bag
- 100 units per inner carton
- 400 units per master carton (4 inner cartons)
- 6 400 units per pallet (16 master cartons)

## Technical characteristics

### Product :

**Size** : 40 x 40 cm

**Colors** : blue, yellow, pink, green, gray

**Weight** : 24.60 g

### Microfiber textile :

**Components** : Microfilaments 100% microfiber Polyester 60% / Polyamide 40%

**Thickness** : 0,45 mm

**Weight/sqm** : 160 g/m<sup>2</sup>

**Breaking point** : 350N/5cm

**Melting point** : 220°C

**Auto Inflammation temperature** : >400°C (DIN53 736)

**Décitex** : 0,2 decitex

**Maximum absorption capacity** : 400% (per weight unit))
