Simply dose®

The effervescent tablet that cleans!

At **MATT CHEM®**, we prioritize progress, which is why we have innovated our cleaning solution with **SIMPLY DOSE®**, fast-dissolving, environmentally friendly effervescent tablet.

SIMPLY DOSE®, it's :

- ✓ The **perfect dosage**, eliminating unnecessary waste.
- ✓ **80% reduction in water content**, resulting in a lighter load during transportation.
- ✓ A **neutral tablet** containing **100% active ingredients**.
- ✓ **No more plastic bottles** – **SIMPLY DOSE®** comes in **recyclable cardboard packaging**.
- ✓ **95% reduction in transport weight** as the compacted tablet contains no water.
- ✓ Means **saving space** and reducing weight on your boat!

SIMPLY DOSE® is available in two variations:

SIMPLY WASH, for **cleaning the hull and deck**.

SIMPLY GLASS, for **cleaning glass, varnished, and polished surfaces**.

SIMPLY WASH

Effective cleaning tablet even in hard water.
Rich in active ingredients: Penetrating and dispersing action of dirt on gelcoat and painted surfaces.
Dissolves quickly in water.
Does not leave any traces.
Does not damage light alloys, chrome, aluminium or anodized aluminium.

Instructions of use :

Dilute a 20-gramme tablet in 3 to 5 litres of water (preferably lukewarm)
Wait for complete dissolution (between 3 and 5 minutes).
Apply with a brush or sponge.
Rinse off.

Ref. 352M.5 - 5 doses of 20 grs

SIMPLY GLASS

Effective cleaning tablet even in hard water.
Rich in active ingredients: Degreases, dissolves encrusted dirt, dust, greasy deposits on glazed, varnished and polished surfaces.
Dissolves quickly in water.
Does not leave any traces.
Does not damage light alloys, chrome, aluminium or anodized aluminium.

Instructions of use :

Dilute two 5-gramme tablets in a 500 ml spray bottle.
Wait for complete dissolution (between 2 and 3 minutes) and close the bottle with the spray head.
Spray, rub and wipe.
The solution prepared in this way can be stored for 15 days.

Ref. 353M.20 - 20 doses of 5 grs

Always securely close the lid immediately after removing tablets from the box. Keep dry.
