SEBO PROFESSIONAL D9

WORKS FOR ME

# D9 PROFESSIONAL

The SEBO PROFESSIONAL D9 offers outstanding build quality, excellent filtration, and unique features such as the AIRBELT™ bumper which protects walls and furniture. The powerful SEBO ET power head makes carpet cleaning easy.

**MADE IN GERMANY**

# SEBO PROFESSIONAL D9

## THE PROFESSIONAL CYLINDER VACUUM CLEANER FOR DEEP CLEANING

The durable and reliable SEBO PROFESSIONAL D9 ensures deep cleaning of carpets and is a perfect choice for daily maintenance cleaning. The SEBO PROFESSIONAL D9 glides smoothly and safely over the floor, its four castors and low centre of gravity making it both mobile and stable. The optimised airflow and the conical hose ensure powerful suction.

**01 Unique AIRBELT™**  
The AIRBELT™ soft bumper system protects walls and furniture and disperses the exhaust air to minimise noise and disruption of the surroundings.

**04 SEBO S-Class Filtration**  
Maximum clean air: The 3 filtration stages retain 99.97 % of fine dust with a particle size of less than 0.01 millimetres. All the filters are made of high-quality electret material which offer a long life, constant suction power and economical use.

**02 Power Head SEBO ET**  
The power head is the perfect choice for a deep and effective cleaning of carpets. With the 4-level height adjustment, the brush can be easily adjusted for different carpets. No tools are required to remove the cassette style brush roller making cleaning or replacement easy.

**05 Variable Suction Control**  
The suction power of the SEBO PROFESSIONAL D9 can be conveniently adjusted on the handle and the power brush can be turned off by using the switch on the handle for cleaning hard floor.

**03 Integrated Accessories**  
For carrying out all round cleaning tasks with convenience and efficiency the SEBO PROFESSIONAL D9 has an integrated upholstery nozzle, crevice nozzle and dusting brush.

**06 15.5 m Cleaning Range**  
A cleaning range of 15.5 m makes it easy to clean large areas with minimal changes of socket. The cable quickly rewinds at the touch of a button.

### Product features

- Deep carpet cleaning with the SEBO ET power head
- Excellent suction power thanks to optimised airflow
- Large capacity and economical in use
- Superb manoeuvrability and great cleaning range
- Automatic cable rewind
- Lightweight, adjustable stainless steel electric tube
- Integrated accessories, for all round cleaning tasks
