

# FOLDABLE DOCK STEP

FOR THOSE WHO DEMAND EXCELLENCE IN EVERY DETAIL OF THEIR VESSEL

Meticulously crafted from premium carbon and stainless steel 316, this dockstep embodies both elegance and practicality, aligning perfectly with the Xquip ethos.

- **Foldability:** Say goodbye to bulky, cumbersome equipment and hello to effortless storage and transport.
- **Superior Materials:** Made from high-quality carbon fiber and stainless steel 316, this dockstep ensures durability and longevity while maintaining a sleek, modern look.
- **Customizable Options:** Available in 2-step, 3-step and 4-step configurations. Additionally, the dockstep can be painted to match the colors of your yacht, ensuring a seamless aesthetic integration.
