

BEYOND LIMITS

XPRO

40x  = 2,7 l/min 

The CITROCASA xPRO liberates your juicing experience, allowing you to extract from a diverse range of fruits. Moreover, the improved pressing elements take the juice yield to a new level of performance and purity!

One fits all!

Oranges, grapefruits, lemons, limes – the new CITROCASA xPRO gives you the freedom to squeeze a variety of fruits with a diameter of up to 100 mm.

Screwless assembling

Whether you opt for a Cross Holder or a OneStep-Pressing-Kit, release the pressing elements with just one movement. Both options now have fewer parts, and no screws!

Quality and Premium design

A new larger video touchscreen featuring a responsive motion sensor. Elevated personalization with the option to customize the back cover design, while meticulous attention to numerous other details ensures a user experience that surpasses expectations.

True innovation

High-quality material, double cover, SCS, auto-stop, connectivity with CitroCASA Cloud, as always, the best combination for first-class juicing performance.

Available in two versions:

Crossholder

OneStep-Pressing-Kit
