

24V Equipment Control Box

Item	Description
Model	KZQ-DZ-24KT-1A
Dimension	(W) 400 (L) *500* (H) 160MM
Cabinet Material	Galvanized Steel Sheet
Cabinet Thickness	1.5MM
IP Rating	IP55
Installation Method	Hoop Installation

Item	Description
Input Voltage of Equipment	24V
Maximum Safe Access Quantity	20

Item	Description
Equipment Function	Mainly used for traffic-related ground luminous lamps
G4+R4+G3+R3+	Positive terminal connection for load
G2+R2+G1+R1	Positive terminal connection for load
GND	Negative terminal connection for load
