Establishment

ERMET - cleaning equipment Our company was established in Istanbul in 1996 and our experience in the sector is actually based on a history of more than 50 years with our family company. Our company started production in an area of 100 square metres in the first years of its establishment.

The first product groups we produced were Metal floor wipers and Metal Glass wipers. In 2008, it entered the plastic sector by purchasing injection moulding machines to produce plastic cleaning equipment.

The company started its journey under the name ERMET as (OPC) by the core founder. In 2013, Birlesik Temizlik Malzemeleri Ticaret. Ltd. Şti In 2018 we launched our website to provide better accessibility to our customers. our main goal was to produce high quality products at affordable prices for them

Our Vision

We believe in the importance of exports for our country's economy and endeavour to improve our production day by day.

Our company currently exports to more than twenty countries around the world and our goal is to gradually increase this number every year.

Our Policies

Our company's policy is to closely follow the guidelines of the industry and produce better quality products at affordable prices as we look closely to achieve customer satisfaction from around the world.

Our new Location

In line with our growth, we have moved our company manufacturer to its new location in 2022 and we have renewed its machines to keep up the industrial guideline.

With its 2000 m2 manufacturing area, and 600 m2 storage area İSTOÇ shop branches, our company will continue to serve the customers at all the time with great services.

Our goal

Among our goals for the future is to become a recognised brand in the global market with our innovative products. With our long years of experience in the sector and our constantly developing product range, we will continue to offer solutions that make our customers' lives easier. As the address of the quality and trust you are looking for in the field of cleaning supplies, we will continue to respond to the needs of our valued customers in the best way.
