

AsphaltArt® International GmbH

Our company, Asphalt Art®, is a pioneer in the development of innovative floor markings and solutions for a variety of applications. With our Original Asphalt Art® asphalt foil, we offer a sustainable and safe solution for urban, commercial and public areas.

Asphalt Art® is a leading company that specializes in the production and application of high-quality asphalt wall and floor foils. Our mission is to improve safety and orientation in public spaces through innovative and long-lasting marking technologies.

Advantages of AsphaltArt®-Asphaltfoils:

1. EXCELLENT ADHESION AND DURABILITY: >

AsphaltArt® asphalt foils adhere reliably to all surfaces and even paving stones and are extremely durable, making them ideal for heavily trafficked areas.

2. ANTI-SLIP PROPERTIES:

The anti-slip properties of our foils ensure increased safety, especially in wet or slippery conditions.

3. EASY INSTALLATION AND CARE:

The installation does not require any special tools and is quick and easy to carry out, meaning areas can be set up without major interruptions.

The foil is easy to care for and requires minimal maintenance, which saves costs in the long term.

4. INDIVIDUAL DESIGN OPTIONS:

Our foils can be custom printed to clearly mark areas such as bicycle parking spaces, car sharing stations and charging zones for e-scooters and electric bicycles.

OUR MISSION

At Asphalt Art®, we strive to contribute to a safer and more sustainable environment through our innovative products. We believe that clear and highly visible markings not only increase safety, but also improve the user experience and increase the quality of life in urban areas.
