by  SUPERABRASIVE

CLEANER  
BRIGHTER  
SAFER  
FLOORS

## THE SMARTER STANDARD IN FLOOR MAINTENANCE

Advanced diamond technology to  
clean and polish floors mechanically - using water only.

## Floor Care Has Become Too Complicated.

- Multiple Pads
- Chemical cleaners and strippers
- Frequent periodic maintenance
- High labor and downtime
- Ongoing consumable waste

### The result?

Higher costs. Inconsistent results.  
Unnecessary complexity.

### There's a smarter way.

Fewer consumables. Fewer processes.  
Simplified Operations. More savings.

# SUPRASHINE

SupraShine diamond floor pads deliver high-gloss, long-lasting results using a simplified process that reduces labor, eliminates chemicals, and lowers total floor care costs.

**MOUNT THE PAD. ADD WATER. CLEAN.  
IT'S THAT SIMPLE.**

# PROFESSIONAL RESULTS. SUSTAINABLE PROCESS. BUILT FOR LARGE-SCALE FACILITIES.

**SupraShine uses advanced diamond technology to clean and polish floors mechanically - using water only.**

- No chemicals. No stripping cycles. No complicated pad programs.

**Just a streamlined process that:**

- Cleans and refines the surface simultaneously
- Improves gloss retention over time
- Reduces the need for periodic restoration
- Works with your existing machines
- Great for Concrete, Terrazzo, Natural Stone, Epoxy, Vinyl

## SUPRASHINE OFFERS A STRUCTURED SOLUTION FOR EVERY STAGE OF FLOOR CARE:

### RESTORATION & PREPARATION

Heavy-duty diamond pads designed for deep cleaning and chemical-free stripping.

### DAILY MAINTENANCE

Regular grit sequence for consistent gloss and cleanliness.

### HIGH-TRAFFIC PERFORMANCE

High Performance pads engineered for demanding environments and long-term gloss retention.

### SPECIALIZED TOOLS

Hybrid pads and diamond screens for repair, stain removal, and surface refinement.

## **SIMPLIFIED OPERATIONS**

Designed for consistency across locations and teams.

- Fewer SKUs to manage
- Easy staff training
- Compatible with auto scrubbers, burnishers, and low-speed machines
- Standardized results across facilities

Ideal for retail chains, healthcare facilities, warehouses, schools, and industrial sites.

## **LOWER TOTAL COST**

SupraShine reduces floor care expenses by:

- Eliminating chemical purchases
- Reducing pad inventory
- Minimizing machine wear from chemical buildup
- Extending floor life
- Reducing labor time per cleaning cycle

## **SUSTAINABLE FLOOR CARE**

Water-only cleaning reduces environmental impact while improving indoor air quality.

- No harsh chemicals
- Reduced packaging waste
- Lower transportation footprint
- Safer environments for staff and visitors
