

WE ARE PROUD TO ANNOUNCE AN EXCEPTIONAL EXCLUSIVE: TA FRANCE BECOMES THE SOLE OFFICIAL DISTRIBUTOR OF STRATAGLASS® IN FRANCE

Why use Strataglass® flexible glazing?

-  **Crystal-clear transparency:** zero distortion, wave-out effect eliminated
-  **Smooth & glossy surface:** showcases all your premium yacht enclosure products and high-end patio enclosures
-  **VueShield™ anti-scratch protection:** resists micro-scratches, UV, salt & chemical exposure
-  **Lifetime 2 to 3 times longer** than standard clear vinyls, without yellowing or clouding
-  **Anti-glare optical clarity:** optimal vision even in low light, perfect for cockpit and dodger enclosures
-  **Eco-friendly:** Strataglass® base composite is greener, requiring 50% less energy to produce
-  **2-year manufacturer's warranty** and extended performance with recommended maintenance
