BÖWER

COMPANY

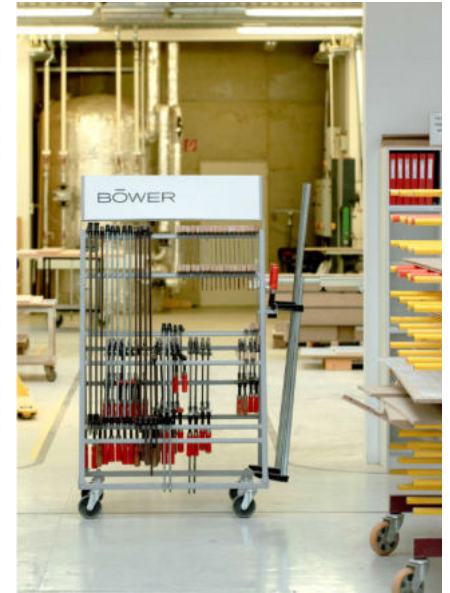

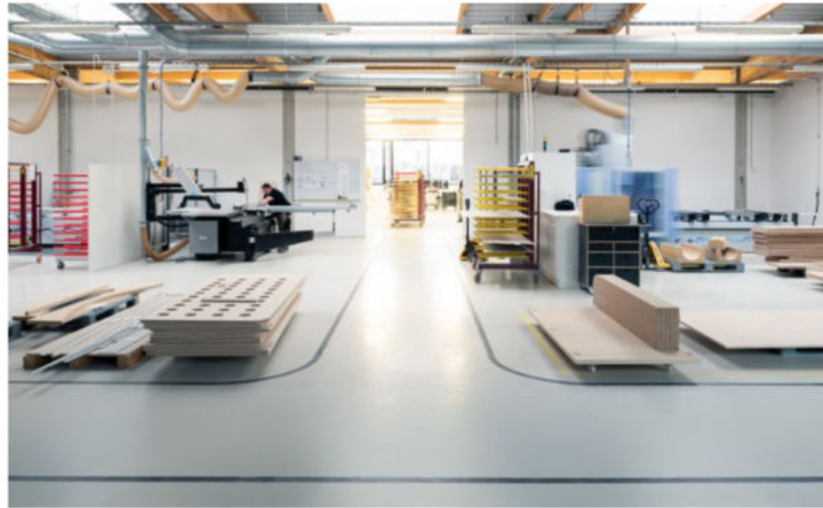

Founded as a carpentry workshop in 1888, Böwer is now in its fourth generation of management. As a modern full-service partner for exclusive interiors and room concepts, we focus on super and mega yachts as well as private residences. Demanding projects from the cultural and public spheres round off the range to perfection.

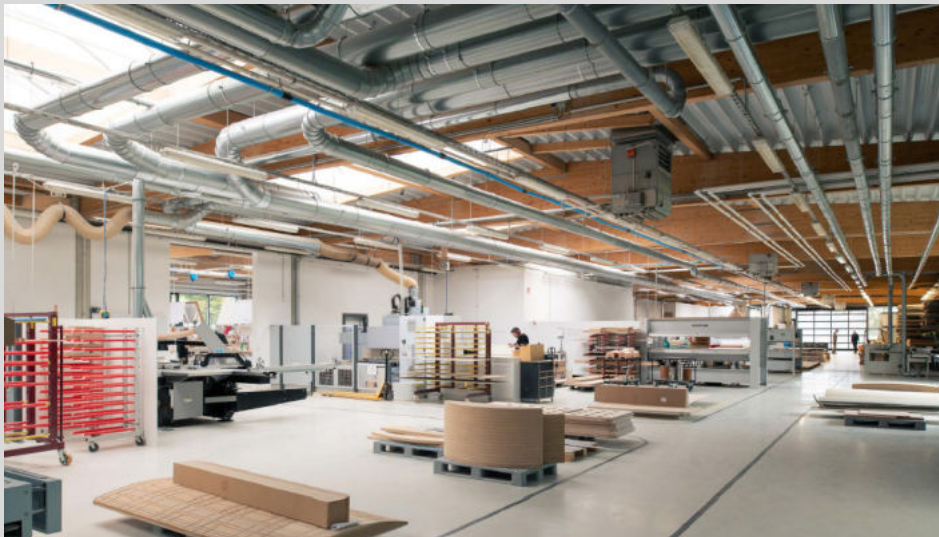

BÖWER

BÖWER

BÖWER

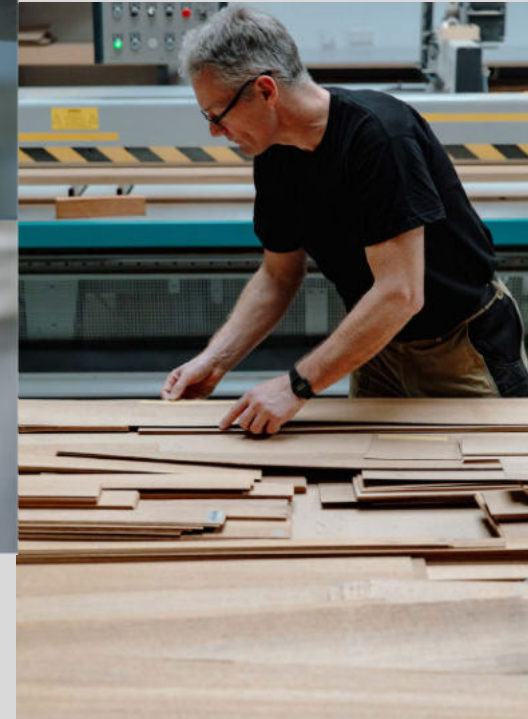

We have established highly efficient processes in our spacious workshops and use cutting-edge technology and processing methods.

BÖWER

BÖWER

Carpenters, engineers, architects: our team comprises highly qualified specialists who work together like a well-oiled machine.

BÖWER

Over the past 20 years, we have realised more than 40 projects in the superyacht and megayacht sector and have turned just as many visions and owner's dreams into reality.
