CANTIERI DI IMPERIA

Yacht Specialists

Cantieri di Imperia is a leading shipyard in repair and refit, based in the North-West of Italy, bordering the French Riviera.

Founded in 1982, the shipyard has a long tradition of ship repair and refitting of yachts up to 45 m LOA. The shipyard has its historical headquarters in Imperia and a branch in Cala del Forte in Ventimiglia.

Cantieri di Imperia is a modern shipyard providing efficiency, quality and productive performance. Thanks to a brand new photovoltaic plant, the shipyard can exploit the energy produced from 100% renewable sources.
