

Better Efficiency with Intelligent Robots

SW55 A

3-in-1 Mopping, Sweeping, and Vacuuming

The SW55 A is a compact all-in-one waterless cleaning robot designed for commercial use. With features such as mopping, sweeping, and vacuuming, this robot is suitable for carpets, hard floors, and wooden surfaces, offering powerful dust control. Additionally, the robot can cooperate with elevators and gate access control systems. It is ideal for small to medium-sized environments, including hotels, office buildings, shopping malls, casinos, and conference centers.

Waterless cleaning technology

Edge cleaning

Rapid deployment
and easy maintenance

Continuous AI operation,
available 24/7

Intelligent mapping
with precise positioning

Real-time task monitoring
with automated cleaning reports

Multi-Scenario Application

Shopping malls/Supermarkets

Exhibition Centres/Conference Centres

Schools

Hospitals/Medical centres

Hotels

Office buildings

Suitable For A Wide Range Of Floors

Premium Floors

Short-pile Carpet

Long-pile Carpet

Wooden Floor

Marble

Common Floors

Terrazzo

Cement Floor

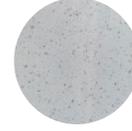

Ceramic Tiles

Epoxy Resin

Sandstone

PVC

Plastic Flooring

Product Technical Specifications

Dimensions (L*W*H)	615*585*650(mm)	Battery capacity	50AH
Weight	93.5kg	Speed settings (High/Medium/Low)	0.7m/s 0.5m/s 0.3m/s
Charging station dimensions (L*W*H)	455*310*475(mm)	Operating noise volume	≤62dB(A)
Trash bin capacity	2.5L	Operating time	8-10 hours
Highest cleaning efficiency	1200 m ² /h	Cleaning path (w/ double side brush)	550mm
